

Friendship and Relationships

1. What qualities do you think are most important in a lasting friendship?
2. How do you maintain strong relationships with friends despite busy schedules or long distances?
3. What role do you think trust plays in both friendships and romantic relationships?
4. How do you navigate conflicts or disagreements with friends or partners while preserving the relationship?
5. What are your thoughts on the impact of social media on maintaining or building relationships?
6. How do you decide which relationships are worth investing in long-term?
7. What's a lesson you've learned from a past friendship or relationship that still influences you today?
8. How do you balance your personal needs with the needs of others in your relationships?
9. What role do shared interests and hobbies play in building strong connections with others?
10. How important do you think communication is in fostering healthy friendships and relationships?
11. How do you handle situations where a friendship or relationship begins to drift apart?
12. What are your thoughts on the idea of "soulmates" or "best friends for life"—do you believe in them?
13. How do you support your friends or partner during tough times, and what do you expect in return?
14. What boundaries do you think are essential to maintain in close relationships?
15. How do you think relationships change and evolve over time, and how do you adapt to those changes?
