

## Social Issues and Activism

1. What social issue are you most passionate about, and why does it resonate with you?
2. How do you think individuals can make a meaningful impact on large-scale social issues?
3. What role do social media platforms play in modern activism, both positively and negatively?
4. How do you balance raising awareness about social issues with taking concrete actions to address them?
5. What are some challenges activists face today that were less prominent in the past?
6. How do you decide which causes to support, given the vast number of social issues in the world?
7. What is the most effective way to educate others about a social issue you care about?
8. How do you handle disagreements or opposition when advocating for a cause you believe in?
9. What role do you think art and culture play in raising awareness about social issues?
10. How do you stay informed about social issues without feeling overwhelmed or burnt out?
11. What do you think is the most powerful tool for change in addressing social issues today?
12. How do you think grassroots movements differ from more organized, large-scale activism?
13. What's an example of a successful social movement or campaign that inspires you?
14. How can people ensure that their activism is inclusive and representative of diverse perspectives?
15. What advice would you give to someone who wants to get involved in activism but doesn't know where to start?
